FROM THE HOUSE MISTRESS'S DESK

Education goes beyond textbooks, embracing a holistic philosophy that nurtures comprehensive student growth. This approach recognizes education's wider dimensions—academics, physical, emotional, and social aspects—empowering students holistically. Sports contribute to fitness, teamwork, and resilience, echoing Nelson Mandela's belief in sports' transformative potential. Physical pursuit's help students overcome barriers and cultivate self-assuredness.

Holistic education also focuses on emotional intelligence. The Dalai Lama's words—"Educating the mind without educating the heart is not education"—highlight the importance of empathy, self-awareness, and emotional strength. Such skills aid in navigating challenges and forming meaningful relationships.

Artistic expression is vital too; Pablo Picasso's insight that every child is an artist underscores this. Encouraging diverse art forms taps into creativity and problem-solving, enhancing innovative thinking.

Community service is championed as well, in line with Mahatma Gandhi's view. Active involvement nurtures empathy, compassion, and a sense of mission, channelling skills for positive societal impact.

In summary, holistic education nurtures every facet of students—physical well-being, emotional intelligence, creativity, and societal contributions. Educators embracing this philosophy equip students for success and contentment in all areas of life.

Geo Heritage Site Programme

Date:7th August, 2023

Our school Army Public School had been cordially invited to participate in an enriching Geo Heritage Site Programme at Mehrangarh Fort on 7th August 2023. This unique opportunity allowed students to delve into the geological wonders of our region, gaining hands-on experience and knowledge about the Earth's history and its fascinating formations. This programme promised to ignite curiosity, spark a passion for geology, and provided an unforgettable educational adventure for our school community. Mehrangarh Fort, located in Jodhpur, India, is renowned for its rich geological heritage. Efforts to conserve its geological sites have included proper signage, controlled visitor access, and regular monitoring to prevent erosion and damage. Preservation initiatives aim to maintain the geological formations, rocks, and landscapes while ensuring sustainable tourism and education about the site's geological significance. Ongoing collaboration between heritage organizations, experts, and local communities continues to play a vital role in safeguarding Mehrangarh Fort's unique geological heritage for future generations.

Overall, the Mehrangarh Fort excursion was an unforgettable blend of history, culture, and awe-inspiring vistas, leaving the participants with cherished memories of a remarkable journey

Independence Day Celebration

Inter-house Dance Drama Competition
Date: 15th August, 2023
Independence Day, celebrated on August 15th, holds immense significance in India as it marks the country's freedom from colonial rule. The chairman Brig. Sanjay Chouhan along with the Principal Dr. Mrs. Tabbassum Khan hoisted the flag. This year, our school organized a grand celebration to commemorate this historic occasion. The event included various activities and programs that added fervour to the patriotic atmosphere.

One of the highlights of the Independence Day celebration was the felicitation of teachers for their commendable contribution to the field of education. Teachers play a crucial role in shaping the future of our nation by imparting knowledge and values to the younger generation. The felicitation ceremony aimed to acknowledge their dedication and hard work. The school management presented certificates of appreciation and small tokens of gratitude to the deserving teachers. This gesture not only motivated the teachers but also served as an inspiration for other faculty members.

Another significant aspect of the celebration was the badge distribution ceremony for school appointees. Students who displayed exceptional leadership qualities and commitment towards their responsibilities were selected as school appointees. The badges were awarded to them as a symbol of their authority and position. This ceremony aimed at fostering a sense of responsibility and instilling leadership qualities among the selected students.

Moreover, an inter-house dance drama competition was organized to showcase the cultural diversity and patriotic spirit of our school. Each house was given the opportunity to present a dance drama representing different aspects of India's struggle for independence. The performances were a blend of vibrant dances, soul-stirring music, and powerful narratives. The event not only entertained the audience but also invoked a sense of national pride and unity. The judges evaluated the performances based on coordination, expressions, costumes, and overall presentation. The competition brought out the artistic and creative talents of the students.
