## From House Mistress Desk

Each New Year offers an exciting opportunity for a fresh start and new beginnings, which is probably why we all look forward to New Year's Eve and New Year's Day so much. No matter what your goals are for the coming year or how many New Year's resolutions you plan on making for 2025, ringing in the start of a new year is a moment to acknowledge. First to celebrate all your experiences from 2024; and second to welcome the New Year ahead. We all were getting prepared to welcome the New Year, brimming with lots of hope and fervor. The mission to continually enhance the academics stays in action. To deliver the best of everything has become the passion of each one of us, as instead of profession we have found it as our passion.Of course the challenges are there in plenty, at every step, but we are committed and determined to win… nothing but to win. Past failures will, in no way deter us from abandoning the path leading to success. We are continuously analyzing the shortcomings and trying to plug the holes to come up with better deliveries. We know this is time to stand apart from the lot and undoubtedly WE will.

# PATRON'S VISIT

On 2nd Dec and 3rd Dec 2024 Patron Maj Gen Prince Duggal and Mrs. Ashima Malhotra Zonal president AWWA Konark corps visited Army Public School Jodhpur. They were led by Principal Dr(Mrs) Tabassum Khan, Vice –principal ,Mrs. Kalpana Tripathi and Adm. Officer, Mrs Iram to take a view on the renovation projects completed.

## Special Assembly: "One Pen, One Teacher, One Woman Can Change the World"

On December 6th, the students of Class VIII A, under the guidance of their class teacher, Mr. Ishan Singh, conducted a remarkable special assembly on the theme "One Pen, One Teacher, One Woman Can Change the World."

The assembly began with an inspiring thought of the day, followed by a soulful prayer and a captivating skit, the students creatively portrayed the impact of education and a single individual's efforts in bringing about global change. This assembly served as a reminder of how small efforts can lead to monumental changes in the world

# REPORT ON IIMUN HELD AT THE UMMED SCHOOL

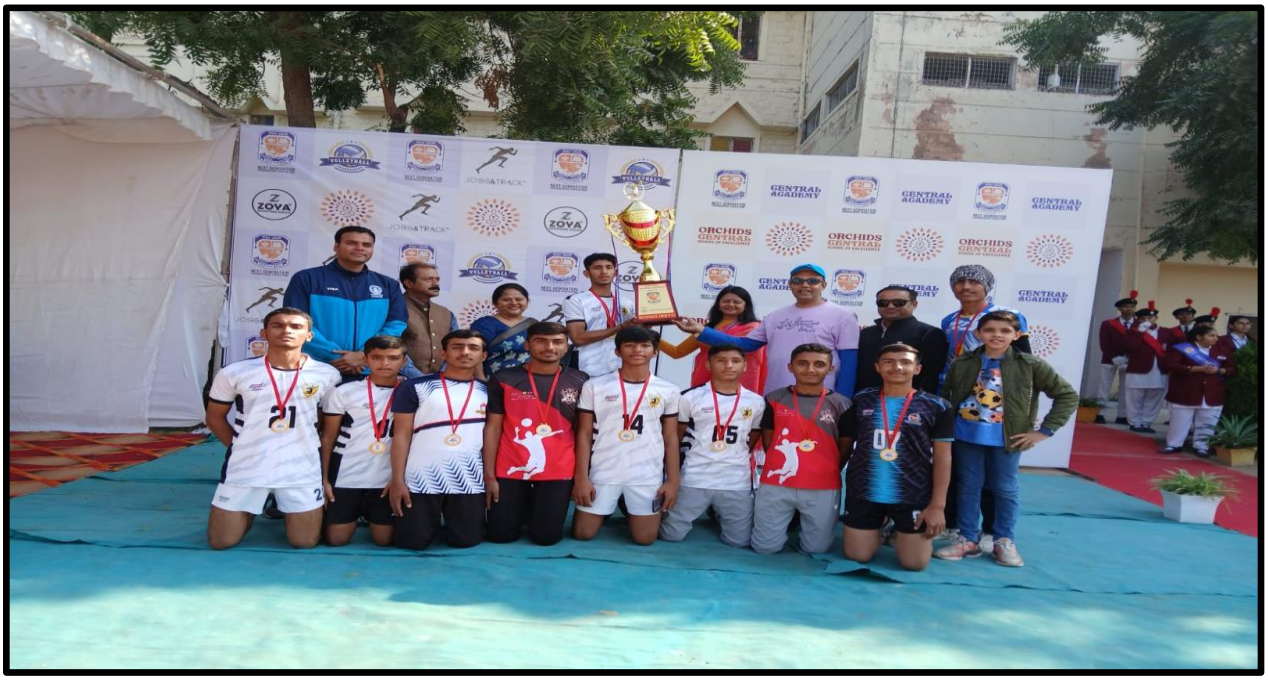

IIMUN was held on 7 and 8 December 2024 at the Ummed School eight students participated in the event from APS Jodhpur .All the 8 grabbed different positions.

The award winners

1. Miss Poorvaja - Best Reporter
2. Miss Tasmiya - Best Delegate
3. Master Kuldeep - Best Delegate
4. Miss Kirti Rani - High Commendation
5. Miss Chetna - High Commendation
6. Master Adarsh - Special Mention
7. Miss Dipti - Special Mention
8. Miss Gokul Lakshmi - Verbal Mention

## INTER SCHOOL INVITATIONAL VOLLEYBALL CHAMPIONSHIP

APS Jodhpur U19 Boys' Volleyball team won GOLD MEDAL in Jodhpur Inter School Invitational Volleyball Championship 2024 Organized by Central Academy CHB from 4th to 7th December 2024.

## PEER EDUCATOR PROGRAM

A Nukkad Natak on awareness about mental health and its importance was shown by peer educators and students of class 9 and 11 on Dec 4 and Dec 9, 2024 in the morning assembly under the guidance of Mrs. Meera Rathore and Ms. Chitragana Singh.

## INTERNATIONAL OLYMPIAD OF ENGLISH LANGUAGE (IOEL) 2024: FOSTERING LANGUAGE EXCELLENCE

Silver Zone International Olympiad of English Language (IOEL) 2024 was conducted on 4th December in our school, with enthusiastic participation from students across Grades 1 to 12. A total of 315 students appeared for this prestigious exam, showcasing their language skills and competing at a national level.

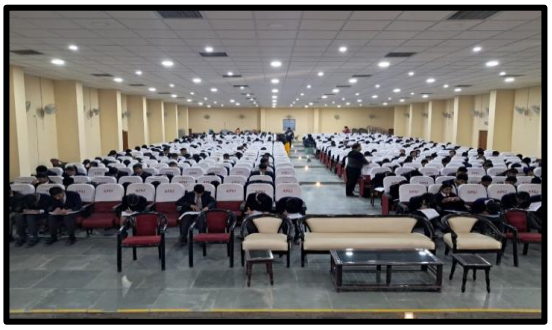

## INTERNATIONAL MATHEMATICS OLYMPIAD

International Mathematics Olympiad was held on 12 Dec 2024

## EY STEM APPLICATION ONLINE LAUNCH PROGRAM

On Monday, December 9, 2024, a launch event of the EY STEM application was conducted for the girl students of entire 8th to 12th grades. AWES has entered into a partnership with EY Foundation, India to rollout the EY STEM App program across the 13 Army Public Schools (APSs).This event aims to empower the girl child, particularly those between the ages of 13-18 years, through their EY STEM App program, which is a gamified digital education tool which works as a stepping stone towards introducing STEM (Science Technology Engineering and Mathematics) concepts and learning. It is a mobile platform designed to identify, inspire, and empower the next generation of girls in STEM fields. This initiative is aligned to the National Education Policy (NEP) 2020, which emphasizes the importance of holistic and multidisciplinary education.

## FOUNDATION CITIZENSHIP PROGRAM WORKSHOP

On Monday, December 9, 2024, a workshop was conducted for the entire 7th grade as part of the Foundation Citizenship Program, organized by the Ramakrishna Mission. This initiative aims to instill moral values and ethics in students, fostering their overall character development. During the workshop, engaging modules were presented that illustrated real-life scenarios, prompting students to reflect on their behaviors and the potential consequences of their actions. The session was highly interactive; teachers facilitated discussions that encouraged critical thinking. Students were prompted to analyze various situations and consider the ramifications of different choices. This approach not only captivated the children's attention but also empowered them to explore essential character strengths such as standing up against injustice, making informed decisions, and building self-confidence. The enthusiastic participation of the students highlighted their eagerness to learn about personal integrity and societal responsibilities. Through this program, they gained valuable insights into ethical behavior and the importance of self-belief, ultimately guiding them towards becoming responsible citizens. The workshop exemplified the mission's commitment to nurturing awakened citizens who are aware of their potential and prepared to contribute positively to society.

## CAREER COUNSELLING SESSION

An online career counseling session for students of class 11 was conducted on 16th December 2024 from 11:40 AM to 1:00 PM by Ms. Kavita Roy of CII. The session was conducted in succession to the Career Interest Test- BARO VI for the students. The primary aim of the workshop was to guide students in understanding various career opportunities, assessing their interests and skills, and making informed decisions about their academic and professional paths using the reports generated from the test. The session was highly informative and motivational for the students as they were made aware of various career options that are available for them.

## WORKSHOP FOR PARENTS ON DEFENCE QUOTA AND SCHOLARSHIPS FOR DEFENCE PERSONNEL

A workshop for the parents of students of classes 10th, 11th and 12th was organized on 14th December 2024 from 12:00 PM to 1:00 PM by the school counselors – Ms Chitrangana Rathore and Ms. Preeti Rathi. The parents were informed about the Defense quota for children and widow of armed personnel in all colleges. They were also informed about the various

scholarships that are provided by many government and private colleges of the country for the armed forces. The information about the scholarships provided by Army Welfare Education Society and the colleges run under its aegis was also disseminated amongst the parents. The procedure to avail all these facilities was also explained to them. A session on parenting and its challenges was also conducted for the parents in which they were told the process of parenting throughout the child's life and how it impacts them. Common challenges faced by parents were also addressed and information on how to deal with them was also given. The program concluded with the interaction with the parents.

**Achievement Spotlight**

I. Miss Kiran from Class VI A has made us proud by securing the third position in Level Two of the prestigious Oxford Big Reading Challenge 2024.

II. Heartiest congratulations to Miss Devanshee Yadav of X L on her outstanding achievement of securing a position among the top 100 students from Ajmer Region in the Aryabhatta Ganit Challenge (CBSE)! Her hard work, dedication, and passion for mathematics have truly paid off.

III. Project Navyug online quiz and project was held on 22nd Dec 2024. The following students have successfully qualified for the next round:

- Master Vidhit Singh Yadav VII B
- Master Shashank Khatri VI D
- Master Hiten Ahuja VI J

## PRE BOARD-I EXAM

Pre board exam for classes X and XII were conducted from 17 to 23 December 2024, providing students with valuable practice for the upcoming CBSE board exams.

## VIJAY RUN

DATE-16 December 2024

"Seventy-eight cadets from Army Public School, including SD/SW and JD/JW, participated in the Vijay Run under the guidance of the ANO, NCC, and PTI staff. In Category III (age group 12-18), our cadets secured the 1st, 3rd, 4th, and 5th positions in both the girls' and boys' categories. Out of the 10 winners, 8 were from our school."

## TECHNICAL INSPECTION

**Report on Technical Inspection Conducted on 17-18 December 2024**

1. Introduction

A Technical Inspection was conducted at Army Public School, Jodhpur, on the 17th and 18th of December 2024. The inspection team was led by Chief Inspector Brig. Vikas Choudhary, Commander of the 12 Corps Artillery Brigade. The team included Lt. Col. Manish Singh, Staff Officer to the Chief Inspector, and Mr. Jitendra Khemchand, Principal of APS Bhuj.

2. Objectives of the Inspection
i. To review the documentation practices and procedures of the school.
ii. To evaluate the condition and functionality of classrooms and learning infrastructure.

3. Scope of the Inspection
The inspection was divided into two main components:
i. Documentation Review: Assessment of administrative and academic records for accuracy and compliance
ii. Classroom Visits: On-site evaluation of teaching environments, facilities, and resources.

.

## WORKSHOPS

**Capacity Building and Emerging Educational Technologies and Cyber Safety**

**Date: 21 December 2024**

Venue: Army Public School, Jodhpur

A workshop on "Capacity Building and Emerging Educational Technologies and Cyber Safety" was conducted at Army Public School, Jodhpur, on 21 December 2024. Led by Ms. Vandana Sharma (TGT CS) and Ms. Vaishnavi (PRT), the workshop aimed to enhance teaching methodologies, integrate modern technology, and address cyber safety.

**Highlights**

1. Cyber Safety & Capacity Building: Strengthened teaching strategies and cyber awareness.

2. Block Coding: Introduced beginner-friendly coding to enhance problem-solving skills.

3. AI Tools for Educators: Demonstrated tools like ChatGPT, Canva AI, and Classcraft for lesson planning and engagement.

**Impact**

The hands-on sessions were well-received, with teachers expressing enthusiasm to implement the learned techniques in their classrooms. The workshop reinforced the use of emerging technologies in education

**Capacity Building Workshop on Nutritional Awareness**

**Date: 21st December 2024**

A Capacity Building Workshop on Nutritional Awareness was conducted on 21st December 2024 as part of the project titled "Prevalence Study of Specific Micronutrient Deficiencies in School-Going Children Aged 6–16 Years in Ten Cities of India." The workshop was organized under the guidance and supervision of Prof. Kuldeep Singh, Professor and Head, Department of Pediatrics, AIIMS Jodhpur. Representing Army Public School, Jodhpur, Ms. Kalpana Tripathi (Vice Principal), Ms. Santoshi Shekhawat, and Ms. Abhilasha Shukla actively participated in the workshop. The event emphasized the importance of addressing micronutrient deficiencies among school-aged children and equipping educators with knowledge to promote nutritional awareness.

## Inspiring Young Minds

### NCC Cadets Empower Grade 8 Students

On 23 December 2024, four NCC cadets—Cadet Om Prakash, Cadet Apurva Jodha, Cadet Poorvaja Choudhary, and Cadet Dipti Sengar—conducted an engaging session for the students of Grade 8 to inspire them to join the National Cadet Corps (NCC) under the guidance of ANO Deepak Kumar. The session aimed to highlight the various benefits of NCC and foster interest among the students. The cadets began by sharing their personal experiences and achievements in NCC, emphasizing the values of discipline, leadership, and teamwork instilled through the program. They elaborated on the adventure activities, training camps, and national-level opportunities available to NCC cadets. They also discussed how NCC contributes to physical fitness, character development, and personality enhancement. Additionally, they highlighted the scholarships, career prospects, and the advantages of NCC certifications for students aspiring to join the armed forces or other government services. The interactive session included a Q&A segment, during which students enthusiastically inquired about the enrollment process and training schedules. The session concluded with a motivational message encouraging students to embrace the NCC motto, "Unity and Discipline," and become future leaders of the nation. The students left the session inspired and better informed, showing keen interest in joining NCC. The cadets' efforts were well-received and greatly appreciated by the school administration.

## Special Assembly

**“Celebrating the Spirit of Christmas”**

A special assembly was conducted on 24th December to celebrate the joyous occasion of Christmas. The highlight of the event was a mesmerizing dance performance by the students of Class VIII-F, presented under the able guidance of Class Teacher Mr. Sumer Singh, Mrs. Rita Sisodia (Coordinator), and Mr. Dinesh Bharti (Music Teacher).The students showcased their talent with enthusiasm and grace, captivating the audience with their well-coordinated moves and vibrant energy. The performance was highly appreciated by all present and added to the celebratory atmosphere of the day. The assembly concluded with a message on the importance of love, kindness, and togetherness, leaving everyone inspired to carry the festive spirit into their daily lives.

## Reports from Pre- Primary Wing-1

**Story Telling Competition: 11 December 2024:**

This month, our students showcased their creativity and confidence in an exciting Storytelling Competition. The event not only encouraged language development but also boosted their confidence in public speaking. It was a delightful experience for everyone, leaving us inspired by the young talents in our school. The goal of this competition was to help children improve their vital communication, social, and cognitive skills. It promoted self-expression, confidence, and creativity while creating a positive and engaging learning atmosphere.

**2**) **Visit to APS for the 'VIDYAPRAVESH': 13 December,2024**

APS Primary Wing organized the Vidyapravesh Ceremony, marking the joyous transition of our Balvatika 3 students to Class 1. This special event celebrated their academic growth and readiness for the new challenges ahead. The little learners were welcomed with blessings, motivational words, and cheerful activities to make the moment memorable. The ceremony symbolized a new beginning in their educational journey, fostering excitement and enthusiasm for learning in the coming year.

**3) Story Telling: 16th December 2024**

The story "The Boy Who Cried Wolf" was enacted by special educator and activity teacher of PPW-1Through engaging stories, they conveyed valuable life lessons such as kindness, honesty, and teamwork. This interactive session not only entertained but also encouraged creativity and critical thinking among the young learners. "The Boy Who Cried Wolf"- teaches several important lessons: The value of honesty-Lying can lead to losing people's trust, even when you are telling the truth. The result of false alarm-Constantly making false claims can cause others to ignore you in times of real need.

**4) Visit to Vidhyashram School: 19th December 2024**

We had visited to Vidhyasharam School with our students of BV-3.We had embarked on an exciting field trip to Vidhyashram School. The students had enthusiastically participated in the “Community Helpers” event, exploring interactive stalls and enjoying puppet shows, magic shows, and pottery activities. This educational outing had helped our young learners understand the importance of community helpers, while having a fun-filled experience!

**5) FLN Fest: 20 December 2024**

FLN Fest was organized in the premises of APS, PPW-1 Jodhpur wherein various stalls were decorated by PPW-1 teachers. It fostered an enjoyable environment that emphasized the value of play and pleasure in a child's development. The event featured interactive STEM activities (Life Cycle of Butterfly, Water Cycle, Parts of plant etc.) Maths puzzles, creative languages activities and fun games, designed to make learning enjoyable and meaningful. Students enthusiastically participated, showcasing their talents and building confidence in their literacy and numeracy abilities. The fest also included teacher-led demonstrations, parent engagement sessions, and resource displays to emphasize the importance of early foundational skills. We received lot of positive feedback and encouragement from our parents.

**6) Christmas Celebration: 23rd December 2024**

This December, the APS Wing-1 was filled with festive cheer as our little ones celebrated Christmas with joy and enthusiasm. The children participated in carol singing, group songs, and listened to Christmas story of Jesus' birth which was enacted by APSPPW-1 teachers. The highlight was a special visit from Santa Claus, who spread smiles and gifted treats. It was a wonderful way to embrace the holiday spirit and create cherished memories! The celebration reminded everyone of the true essence of Christmas—spreading kindness, unity, and happiness.

**7) Parent Teaching Meeting: 24th December 2024**

In APSPPW -1, Jodhpur, we held a Parent Teaching Meet on December 24th. This monthly event is crucial as it promotes active participation from both parents and teachers in a child's development and well-being. Our recent Parent-Teacher Meeting provided a wonderful opportunity to strengthen the bond between parents and teachers. It was a platform to discuss each child's progress, share valuable insights, and collaborate on their growth and development. Such interactions help create a nurturing environment where children thrive, ensuring their learning journey is both joyful and fruitful.

## REPORTS FROM PRE-PRIMARY WING-2, SHIKARGARH

**Yoga and Meditation (4th December)**

A Yoga and Meditation activity was organized on 4th December to promote relaxation and mindfulness. The children practiced simple yoga poses and breathing exercises with enthusiasm, fostering physical and mental well-being. The session created a calming and positive atmosphere, encouraging healthy habits from an early age.

**Sack Race (5th December)**

The Sack Race was organized to promote physical fitness, enhance motor skills, and instill a spirit of healthy competition among students. The children hopped enthusiastically in their sacks, cheering each other on and enjoying the activity. The event concluded with joyful smiles and a sense of accomplishment for all participants.

**Sports complex visit - On 6th December 2024**

The students enjoyed an exciting visit to the sports complex, exploring various facilities and engaging in fun activities. They observed different sports being played and participated in light exercises to promote fitness. The trip was both educational and entertaining, inspiring the children to embrace an active lifestyle.

**Polio Drop (9th December)**

The pre-primary school organized a Polio Drop activity to support the national immunization drive. The children received their doses under the guidance of healthcare professionals, ensuring their health and safety. The initiative aimed to raise awareness about polio prevention and promote a healthier future for the young generation.

**Olympiad Exams (9th to 12th December)**

The Olympiad exams aimed to foster critical thinking and problem-solving skills in a fun and engaging manner. It was a wonderful opportunity for the young learners to explore their potential and build confidence.

**Solo Dance (13th December)**

The pre-primary students showcased their talent in the Solo Dance activity, performing with enthusiasm and confidence. The event was filled with colorful costumes, lively music, and joyful energy. It provided a platform for the children to express themselves creatively and build self-confidence.

**Vidhyashram Visit (19th December)**

All the students and teachers visited Vidhyashram on 19th December. This visit aimed to enhance their understanding of inclusive education, promote empathy, and engage in meaningful interactions with the students. The pre-primary students had an enriching experience during their visit, fostering interaction and learning. They explored the new environment, participated in fun activities, and made new friends. The visit encouraged social skills, curiosity, and a sense of community among the young learners. The event ended with a note of gratitude and a commitment to fostering a more inclusive society.

**PARENT TEACHER MEETING**

The Parent-Teacher Meeting (PTM) was organized to foster communication between parents and teachers regarding students' academic progress and overall development. It provided an opportunity to discuss students' strengths, areas of improvement, and strategies for academic growth. The PTM was a successful event that strengthened the partnership between parents and teachers. The feedback received will help the school enhance its teaching practices and student support systems.

**FLN Mela (23rd December)**

The FLN Mela (Fun, Literacy, and Numeracy) was organized on 23rd December. It engaged pre-school students in a vibrant mela filled with creative activities like storytelling, puzzles, role-play, and interactive games. This joyful event aimed to build skills and spark curiosity at an early age. The Headmistress of APSPPW-2, Mrs. Kalpana Tripathi, welcomed all the guests and parents. Guests included: Mrs. Kalpana Tripathi (Vice Principal), Mrs. Harpreet Kaur (Headmistress Primary Wing),Mrs. Rajinder Kaur (Headmistress, APSPPW-1). After the welcome, Mrs. Poonam Pandey, Coordinator of the UKG Wing, anchored the program and introduced FLN. Various knowledge-enriching games were played with great enthusiasm. It was a fun-filled day for all students, parents, staff, and guests. The Headmistress concluded the event with a thank-you note.

**Christmas Celebration (24th December)**

Students celebrated Christmas with great enthusiasm and joy. The event followed a complete Christmas theme. Children participated in festive activities such as decorating the Christmas tree, singing carols, and exchanging small gifts. The celebration created a warm, cheerful atmosphere, helping the children embrace the spirit of sharing and togetherness.

## REPORT FROM PRIMARY WING

### VIDHYAPRAVESH

As per NEP 2020, preschool (UKG/Bal Vatika) has been integrated as a readiness level for Class 1, supported by the Vidya Pravesh module under NIPUN BHARAT. This initiative ensures a smooth transition from home or preschool to primary school by fostering collaboration between children, families, and schools. Army Schools promote experiential learning by familiarizing preschool students with primary spaces, teachers, and systems. On 11th December 2024, 84 students from Konark Army Pre-Primary School visited APS Jodhpur.On 13th December 2024, 92 students from Vayu Raksha Army Pre-Primary School visited. Students were welcomed with smiley badges, a song by Class 1 students, and outdoor activities. They explored Class 1 sections, the Computer Lab, Maths Lab, Art Room, Library, Herbal Garden, and Admin Block, ensuring readiness for their new learning environment.

### ASHA SCHOOL VISIT

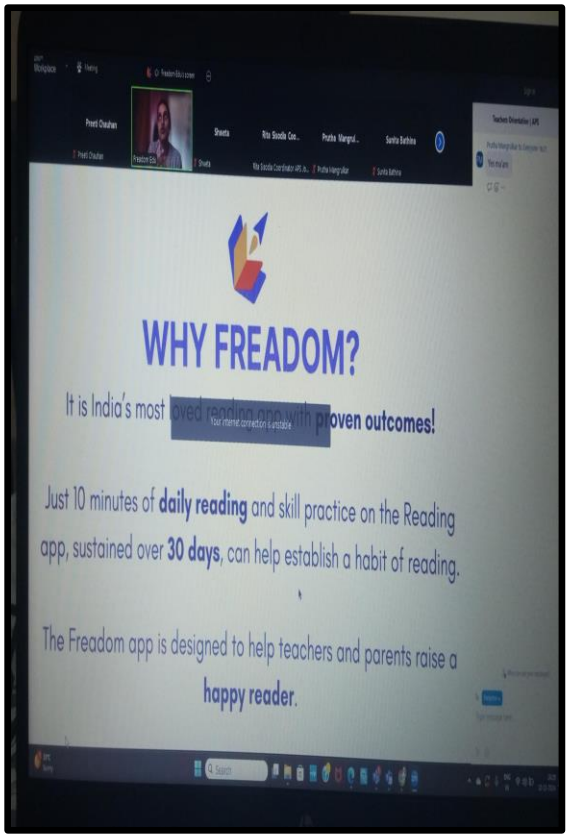

On 18 December 2024, students of the APS Primary Wing visited Asha School under the project Milaap. Students from both schools had an interactive session through an art activity. In groups of two, they created bracelets using colorful beads and gifted the handmade bracelets to each other as tokens of friendship. The students thoroughly enjoyed each other's company and developed a bond of sharing and caring for others.

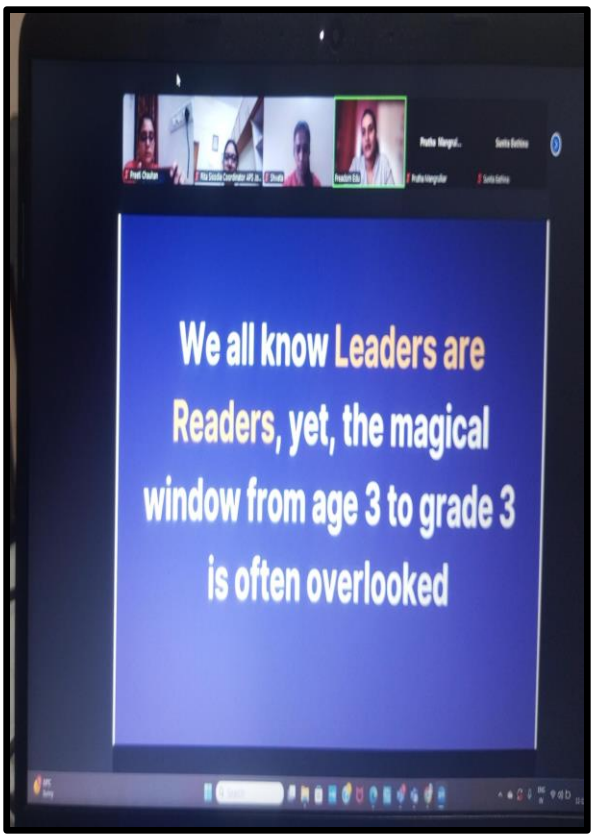

## FREADOM APPLICATION

**On 19th December 2024**, a Zoom meeting was conducted by Ms. Shweta from 5 pm to 6 pm on the Freadom application. Freadom is an English-learning mobile application designed for children aged three to twelve years. The software covers a wide range of English skills, such as comprehension, vocabulary, phonics, writing, and grammar. This app is beneficial as it improves students' reading skills through interactive methods. Learners are likely to be motivated to engage with the content regularly due to the streak points provided for daily participation. Learners can progress at their own pace and navigate easily through the app's features. A personalized progress bar conveys mastery of each skill for the relevant grade. For Grades 1-2, learners can track their mastery in areas such as Vocabulary, Phonics, Comprehension, Alphabetic Principle, and Phonemic Awareness. Teachers can assign homework to students and monitor its completion. Parents can also easily interpret information about their child's performance. The profile section of the application provides a summary of the learner's activities, including skill-wise performance, total reading time, stories read, activities completed, and 'freados' (points awarded to learners).The speaker also highlighted that the Freadom app is available on multiple platforms, including iOS and Android, making it accessible to a wide range of users. Parents and educators can monitor a child's development through progress trackers, ensuring targeted support where needed. The presentation was both enlightening and informative. Overall, the Freadom application will help foster a love of reading, support literacy development, and provide a customizable learning experience for young students.

## Parents-Teacher Meet (21 December 2024)

**Class I to V**

To ensure regular monitoring of students' performance, Term II examinations were conducted. The students' written performance, in the form of answer sheets, was shared with parents. They were encouraged to carefully review the answers and mistakes to better understand their child's progress and areas for improvement.

**Mela (24th December 2024)**

**Class 1**

The Foundational Literacy and Numeracy (FLN) activity was conducted in the school for Class 1 and 2 students. The students and teachers of Class 3 organized an FLN Mela for the parents and students of Class 1 and 2 in the primary wing of APS Jodhpur. Class 1 students attended the event along with their parents. All the parents were enthusiastic and appreciated the efforts made by the students and teachers. The Mela included numerous stalls representing different subjects such as English, Hindi, Mathematics, EVS, Reading, Storytelling, and Role-Play.

**1**. **Storytelling Session**

A storytelling session was conducted with props and interactive elements. Students listened attentively to a story about a family of animals and then participated in a role-play activity, acting out the story.

Outcome: Students demonstrated improved listening skills and showed enthusiasm in participating in the role-play.

**2**. Sorting and Counting Activity -A hands-on activity involved sorting and counting colorful shapes. Students sorted the shapes by color and then counted the number of shapes in each group.

Outcome: Students demonstrated an understanding of sorting and counting concepts and showed progress in recognizing different shapes.

**3.** Group Story Creation-In a group activity, students worked together to create a simple story using pictures and words. Each student contributed a sentence or a picture to the story.

Outcome: Students demonstrated teamwork and communication skills while expressing their creativity through storytelling. Overall, students were highly engaged and enthusiastic throughout the activities. They showed a strong interest in learning and were eager to participate.

**MELA - DECEMBER 2024**

## Class-II

The FLN Mela, a vibrant celebration of Foundational Literacy and Numeracy, was a resounding success at Army Public School, Jodhpur. It was organized on 24th December 2024. The event showcased the innovative teaching-learning materials (TLMs) created by our dedicated teachers to enhance the learning experience for our

young learners. Class III students took on the role of tour guides for the parents. A wide array of engaging activities and interactive displays were set up, capturing the attention of students and teachers alike. From colorful charts and flashcards to interactive subject activities, games, dance performances, and a science exhibition, the mela provided a hands-on learning experience that fostered a love for learning. The highlight of the mela was the enthusiastic participation of our students. They actively engaged with the TLMs, demonstrating their understanding of foundational concepts through playful interactions. The mela served as a platform for students to not only learn but also showcase their creativity and problem-solving skills. The FLN Mela was a true testament to the dedication and hard work of our teachers in creating an enriching learning environment for our students. It was a day filled with joy, learning, and celebration, leaving a lasting impact on the entire school community.

## Bag less Day Activity

**Date: 24th December**

**Topic: A Visit to a Monument**

**The Foundational Literacy and Numeracy (FLN) Mela**

**Class-III**

The Foundational Literacy and Numeracy (FLN) Mela was organized at APS, Jodhpur Primary Wing on 24th December 2024 for Classes I and II by the students and teachers of Class III. The tiny tots of Classes I and II were invited along with their parents to experience the school's vibrant learning environment. The goal of the FLN Mela was to raise awareness among parents about how they can support their child's development through play. This FLN Mela is part of the Foundational Literacy and Numeracy Mission, which aims to build foundational literacy and numeracy skills in children.

**Activities**

The FLN Mela included activities that engaged the little learners in their educational journey. The Class III students and teachers worked together to prepare stalls catering to the curiosity and enthusiasm of the young learners. The stalls were divided into various subjects, showcasing creative and interactive ways to enhance learning

English
Stall 1: Feed the Clown (Naming Words and Action Words)
Stall 2: Position Words

Hindi
Stall 1: अक्षर खोजो, शब्द बनाओ
Stall 2: मात्रा चक्र से मात्रा पहचानो

Maths
Stall 1: Magic with Shapes
Stall 2: Fun with the Abacus

EVS
**Stall 1: Sorting of Animals (Carnivores, Herbivores and Omnivores**
Additionally, there were stalls for storytelling, music, extended reading, role play, famous monuments, and a science exhibition to ensure the holistic development of the children. The FLN Mela provided a safe, loving, and secure environment to meet the needs of diverse learners. Children enjoyed the experience immensely as learning was made fun for them. Both children and parents expressed their gratitude to the teachers for their extra effort in creating a play-based and engaging learning environment.

**Bag less Day: Christmas Day Celebration**

On the joyous occasion of Christmas, a vibrant celebration was held at our school. The day was marked as a "Bag less Day," filled with fun and learning. Children enthusiastically participated, dressed in beautiful red attire, adding to the festive spirit. Class IV students showcased their creativity and teamwork through a delightful role play, bringing the story to life. Their performance captivated everyone and highlighted the values of love, joy, and sharing. As a hands-on activity, students crafted their own analog clocks using paper, cardboard, and other craft materials. This fun and educational task helped them understand the concept of time and enhanced their fine motor skills. Additionally, a special reading corner was set up, fostering a love for books and creating a cozy space for students to enjoy stories. The day was filled with laughter, cheer, and unforgettable moments, leaving everyone in high spirits. It was truly a memorable Christmas celebration!

**Bag less Day (Class V)**

On Bag less Day, Class V students shared their experiences of visiting a monument. They expressed their awe at the monument's beauty and historical significance. The children showcased their creativity by making vibrant drawings of the site, reflecting their observations. The teacher led an engaging discussion on the importance of monuments and their role in preserving cultural heritage. This activity deepened the students' understanding of history and heritage. The day was filled with knowledge, creativity, and joy, leaving students inspired and connected to their cultural roots. It was a memorable and enriching learning experience for all.

**Awareness Session on ‘My First Period’**

Session Conducted By: Ms Harpreet Kaur (H.M. Primary Wing), Ms Anuradha Goswami, Ms Indu Kumari, Ms Renu Kanwar (Nursing Assistant). An awareness session was conducted for Class IV girls to educate them about their first period, personal hygiene, dietary care, exercises, and proper disposal of sanitary pads. Educating young girls is crucial, as many diseases can result from an unhealthy diet, poor hygiene, and negligence during periods. Every girl should be made aware of their body and self-care. Teachers can play a vital role by providing accurate information at the right time, ensuring a healthier and better life for these young girls.

## NEW ADMISSION DETAILS

Our school has seen a significant boost in admissions for the upcoming academic year. This session till December, we welcomed 1170 new students across various grade levels, reflecting our growing reputation and the continued trust parents and guardians place in us. Our new students come from diverse backgrounds, bringing a wealth of new perspectives and experiences that will enrich our school community. We are committed to providing a supportive and dynamic learning environment for all our students.

## FOURTH COMING EVENTS

| Sr.no. | EVENT | DATE |
