MESSAGE FROM THE HOUSE MISTRESS

"Let go of yesterday. Let today be a new beginning and be the best that you can, and you'll get to where God wants you to be."

-Joel Osteen

The beginning of a new session is always an auspicious time, a time for new hopes and renewed dreams. The students feel extremely excited after the examination fever. It's the time to enter the school with new vivacity and fresh vibes. Excitement and enthusiasm is at peak amongst all. There is no shortcut to achieve success; it's only the hard-work which pays.

Let's have a luminous year ahead.

IF I COULD VOTE

I see a lot of debate,
Lot of speeches full of hate.

Someone says I will give you money,
Another one says, I will fill your tummy.

Before we vote we should be careful,
We should do our study and then do the needful..
I will vote for the leader, who sets an example,
Who lives and preaches the same principle.

Before my vote I will study their development plan,
This would decide the winning clan.

I will be a responsible citizen, who casts vote neither by greed nor by religion.

I will vote for development and progress,
And select my leader with lot of zest.

My leader would be honest and when elected should put in his best.

I am after all a responsible citizen, an aware person part of progressive nation.
