TAGORE HOUSE

“MOTTO OF THE HOUSE”

“FAITH IS THE BIRD THAT FEELS THE LIGHT WHEN THE DAWN IS STILL DARK”

Message from the House Master

December at APS Jodhpur was humming with new energy and renewed commitment. In December’s newsletter, we are trying to highlight the different competitions and our victory in all the competitions. Applaud to all the students who have received awards and medals. We hope to hear more victories and triumphs. This newsletter also incorporates critical thinking, creative skills and other cognitive skills taught through different activities.

Dr. Amarnath Sinha

CHAIRMAN'S VISIT TO SCHOOL

The Chairman of APS Jodhpur Brig NJ Bhattacharya Cdr, 769 (I) AD Brigade visited the school for the first time after taking over the new appointment on 12 Dec 2019. He spent a lot of time during the visit getting acquainted with the faculties, the premises and the entire spectrum in detail. He gave a patient hearing on all the suggestions put forth and we all are sanguine that the coming days will witness a lot of positive changes all across the school.

MATHS OLYMPIAD

Maths Olympiad was organized by SOF on 05 Dec 2019 at APS Jodhpur for students of classes I to XII. It was a sight to see the young geniuses struggling with numbers and theorems and some really trying to get a hang of what's going around. The event was held in the early hours of the day to ensure that the efficacy is at its best.

FIRST PRE-BOARDS
(CLASS X & XII)

With December some heart races are bound to skip a beat. It was that time of the year when students of class X and XII undergo their First Pre Board Exams to assimilate the preparation levels. The first pre boards were held w. e. f. 30 Nov. to 11 Dec. 2019. The students will again have an opportunity for mid-course corrections when they will have Second Pre Boards from 26 Dec 19 to 06 Jan 2020. Wishing them Best of Luck and Super Success.

Students taking First Pre-Board Exam

SECOND UNIT TEST
(CLASS VI TO IX)

Second periodic test were held w. e. f. 2nd Dec to 9th Dec 2019 for classes VI to IX . Test was given in the early hours of the day to ensure that efficacy is at it's best.

SWACHCHH BHARAT CAMPAIGN

In our continued stream of efforts to ensure our whole hearted contribution in Swachchh Bharat Campaign, students of APS Jodhpur conducted a skit (Nukkad Natak) on cleanliness awareness. The skit was conducted on 12 Dec 2019 near the main gate of the school, The students took lot of effort to ensure that this important aspect of cleanliness to some extent is imbibed by the entire audience. The skit was telecasted on Doordarshan which certainly brought laurels to the entire school and big smile on all faces involved with the skit.

LECTURE ON DENGUE CAUSE AND PREVENTION

An educative lecture on importance of Health and Hygiene was delivered for benefit of all at APS Jodhpur by Major Tukaram Gadekar, Station Health Officer, Jodhpur on 23 December 2019. He stressed on the importance of cleanliness in our daily lives and explained various causes of malaria, dengue, other water borne diseases and the remedial actions to be adopted for our safety. It was indeed a very informative and learning lecture for the entire audience and we are confident that we all will certainly adopt his teachings in our daily chores and will keep ourselves protected from such diseases.

ENGLISH & MATHS WORKSHOP

In our continuous effort to enhance our professional growth, a workshop was organized by the facilitators of APS Jodhpur on 21 Dec 2019. Teachers from Sardar Doon School and St. Paul School of Jodhpur also attended the same. It was an enlightening experience for all the attendees as there was so much experience to share and ocean full of knowledge. We are sanguine that such workshops will go a long way to boost our confidence and zeal to do better gateways.

ASHA SCHOOL CHILDREN VISIT TO APS PRIMARY

(PRIMARY WING- MAIN)

"Sometimes real superheroes live in the hearts of small children fighting big battles"

Special education is the practice of educating students in a way that addresses their individual differences and needs. It is designed specifically for students with learning disabilities. This report is about the visit of special children of ASHA School to APS primary wing. The visit was conducted on December 6th, 2019. The visit was conducted by 25 children along with 3 teachers and other school employees.

Our school had already planned for the “NO PLASTIC” Campaign to make those children aware about the plastic banned. At first the students were provided with some colouring papers on the same theme. The students coloured them very efficiently. Seeing their interest the management decided to award the best students. Everybody enjoyed the performance with full enthusiasm. Even the students of ASHA School too presented and enlightened the audience with their poems and songs. Seeing their enthusiasm everybody applauded to encourage them. Finally the best 3 students, from ASHA School was awarded by the Principal and Head Mistress. In future we would like to see more of such visits and will feel privileged to serve them.

Asha School’s students Visited APS School

POSTER MAKING COMPETITION
(PRIMARY WING - MAIN)

A Poster Making Competition of class 3 on "**SAY NO TO PLASTIC**" was organized in Primary Wing on 6 Dec, 19. Through this competition some students portrayed a healthy environment in their posters. The students painted their perceptions on paper on saving the planet earth from plastic. Not only this, but some students also showcased the difference between an unhealthy environment and a healthy one in a single poster. The students also wrote creative slogans over their paintings to address the message clearly. The competition was organized with a purpose to spread awareness among the students about the plastic free environment.

Environment Save Posters by the students

RESULT-

Rank	Name and Class
1	Anjali (III-D)
2	Rohit Choudhary (III-D)
3	Neha (III-F)

INTER HOUSE THROW BALL COMPETITION
(PRIMARY WING - MAIN)

11th December, 2019 was yet another day full of fun, energy, enjoyment and sportsman spirit at primary wing. We had Inter House Throw Ball Competition on 11.12.19. The competition was held on volleyball ground. Our children had a great time. The spectators were involved in a game as much as the players. All the energy and power would rush to a spectator's hands when his House's player was about to throw a ball at the opponent.
Our children showed a great performance from the initial stage of planning till actual playing. It was heartening to see the players implementing different strategies while playing. It was good to see such skills in our children.

WINNER- TAGORE HOUSE	RUNNER UP - RAJANDRA HOUSE

INTER -HOUSE CAROL SINGING COMPETITION
(PRIMARY WING-MAIN)

Clap your hands, stomp your feet and sing your hearts out.

The month of December brings abundant warmth and hope. It is after all, a time of celebration, with Christmas to color the cold and grey winter. The cheer of Christmas was celebrated with vigor and zeal by the students of Primary Wing, on Friday, December 20, 2019. The Inter House Carol Singing Competition allowed students to put forth an enthralling performance.

The occasion was graced and hosted by the esteem presence of the Headmistress of Primary Wing. The competitors sang a variety of Christmas carols. They came up with melodious voices which appealed the audience and judges. All our young maestros who took part in the competition made the competition a great success. The winners were well appreciated by the judges.

Witnessing the children singing so well made all of us proud. This event would not have been possible without the help of all the house-mistresses who trained the students and encouraged them to bring out their best.

Christmas magic is in the air

GO GREEN CAMPAIGN
(PRIMARY EXTENSION WING)

Why should we adopt "GO GREEN CAMPAIGN"? Global Warming which is currently blazing the planet has compelled us to contemplate and act. We – the great, clever, intelligent, greedy and selfish human beings- who are not happy with what mother earth has given to us, rather want more and more.

Bio-degradable waste is not a major concern as it gets decayed over the period of time and becomes the part of the soil, where as non-biodegradable waste like polythene products, plastic objects, aluminum or metal objects which do not decay or degrade at all, is the major concern for our green environment. On burning of these polythene/plastic products in the name of "WASTE BURNING", toxic and harmful gases like sulphur-di-oxide, carbon mono-oxide etc. is released in the environment, thereby leading to the global warming.

Stringent law must be enacted and enforced in order to curb the production of polythene objects from the manufacturing end. "SAY NO – TO POLYTHENE" Campaign are to be organized at regular interval at all levels in the society to create awareness.

APS has organized a "GO GREEN CAMPAIGN" program to bring awareness among the students about the adverse effect of global warming. The students were acknowledged with the "GO GREEN BADGES" to bring a positive effect in this regard.

Go Green Campaign

CHRISTMAS DAY CELEBRATION
&
INTER-HOUSE CAROL SINGING COMPETITION
(PRIMARY EXTENSION WING)

The Christmas Day Celebration was organised on 24th Dec. 2019, at Primary Extension Wing to commemorate the birth of Jesus Christ. Jesus Christ, whom the Christians believe is the son of God, was born to Mother Mary and Joseph. It is believed that God has sent his son on Earth as a sacrifice to redeem the people of the world from their sins. Here, the sacrifice denotes "Crucifixion of Jesus Christ."

To celebrate this special day, the Inter-House Carol Singing Competition was held at Extension Wing among the students of class III to V. The participants from all four Houses namely Aryabhatta, Tagore, Raman, Rajendra were very much enthusiastic and motivated by their respective House Mistress' on the eve of Christmas.

Similarly, the students from I and II had presented the dance "I am the Happiest tree" and "Humne ye geetsunaya" as well as a skit on "Birth of Jesus Christ" and a class V student Shreyash had played the role of Santa Clause on the stage being the centre of attraction for all of us as :-
