RAJENDRA HOUSE

Motto of the House

"Be Hundred Percent; Be Victorious"

Message from the House Mistress

"An upcoming vacation gives us something to eagerly anticipate"

-Jaime Kurtz

With the hard work and dedication Rajendra House has proved its mettle and was bestowed with distinctive embellishment in beginning of the session. We have grabbed first position in inter house volleyball tournament boys in middle and senior wing both. Our girls also grabbed inter house basketball tournament title in the middle wing. Collective efforts of teachers and students spread their fragrances by securing the second position in inter house Hindi Samvad competition. As we go for vacation, joy and excitement fills up our hearts. It is the best time to rejuvenate our body, mind and soul.

We need to make sure that these holidays are utilized in the best way. We should spend sometime in the community service. Along with joy, fun and enjoyment we are all supposed to sharpen our skills during vacation, so that we all restart with a refreshed, energetic and productive mind.

I wish everyone Happy Holidays!
