FROM THE DESK OF THE HOUSE MISTRESS

Happiness is something comes from deep inside. It comes from our hearts. A person who is wealthy may or may not be happy. However, a person who is happy is always wealthy. Preserve this wealth of Happiness and let it reflect your positive attitude towards life. Even if you fail in life, don't blame destiny for it. Also, don't lose hope, it is the path of success. You must not look for any special occasion to be happy. Find joy in each moment of life.

With the same theme in our school, our school is providing the students with the best opportunities for the development of their personality and put a red carpet for their life in schools and with continuous efforts in grooming in the zones of physical, mental, emotional, social and many other unsaid areas and holistic growth and development of the children.

Happiness creates path for positivity and soaking the good from surroundings, it paves a road for success in both Curricular and Co-Curricular Activities which have been polishing their talents and lead a path to express their splendid qualities.

I rest my words by putting a famous quote, *"Never mind these failures, these little backslidings; hold the ideal a thousand times, and if you fail a thousand times, make the attempt once more".*

HOUSE MISTRESS

Ms. Charan Kiran Ashok

MANTHAN

December 2,2023 marked an outstanding victory by talented students in the Manthan: The DPS Fiesta. Students' dedication and skill were on full display, two first prizes were secured, showcasing not just one but two remarkable triumphs:

1. Group Song Competition Triumph: Students showcased their musical prowess and teamwork by winning the first prize in the group song competition. The harmonious blend of voices resonated with the judges, securing a well-deserved victory.

2. Mud Squad Dominance: Students conquered the adventurous realm of the Mud Squad competition, emerging victorious as they claimed the first prize.

SCIENCE OLYMPIAD

Exploring Excellence: NSO Olympiad 2023.The pursuit of knowledge reached new heights at the National Science Olympiad (NSO), an annual event that engaged students at both the national and international levels which was held on December 5, 2023, at Army Public School, Jodhpur. This Olympiad proved to be a transformative experience for the participating students from classes I to XII. A total of 816 students enrolled in the Science Olympiad, showcasing their overwhelming enthusiasm for intellectual challenges.

STUDENT INTERACTION DRIVE

The Indian Air Force DISHA Cell conducted a student interaction drive on December 7,2023 at KV No. 2, Air Force Jodhpur. Attended by 30 NCC Cadets from APS Jodhpur, the event provided insights into the IAF, covering job opportunities, the latest systems, and a hands-on flying simulator experience.

COOKING WITHOUT FIRE

In celebration of the International Year of Millets, Army Public School, Jodhpur organised a "Cooking without Fire" competition on December 12, 2023. Students from Std. I to XII exhibited their culinary prowess, crafting nutritious and delectable millet-based delicacies. The event aimed to raise awareness about the nutritional and environmental benefits of millets. The Esteemed judges, including the Principal, Dr. (Mrs.) Tabassum Khan, evaluated the dishes based on nutrition and taste. Anushka and Kashish of class VIII D secured the first position, followed closely by Riya and Shushila of class VIII C in second place, and Aarith and Karan of Class VIII D in third place. The competition showcased the talent and creativity of our teen chefs.

SOCIAL SCIENCE OLYMPIAD

The Social Science Olympiad, held on December 12, 2023, witnessed active participation of 140 students spanning classes III to XII in the school auditorium. Organized by SOF (ISSO), the event aimed to cultivate competitive aptitude, offering students a platform to showcase intellectual prowess. This initiative contributes to the enhancement of critical thinking skills, allowing students to assess their capabilities and gain insight into their potential for academic and career excellence.

SEMINAR ON INTERNATIONAL YEAR OF MILLETS

The school auditorium resonated with insights during a seminar on the 'International Year of Millets' on December 13, 2023. Dr Soma Srivastava, Sr. Scale Scientist from CAZRI, delivered an enlightening session. The event garnered attention from distinguished guests, including Lt Col Baldev Choudhary, CO 1 Raj Engr Regt NCC Jodhpur, Dr (Mrs) Tabassum Khan, Principal APS Jodhpur, Mrs. Kalpana Tripathi, Vice-Principal APS Jodhpur, along with the teachers and cadets. The seminar fostered awareness about the nutritional and environmental significance of millets, contributing to the collective knowledge of the attendees.

PARENTS - TEACHER MEET

The recent Parents -Teacher Meet (PTM) held on December 16,2023 for classes VI-VIII was a resounding success. The event facilitated meaningful interactions between educators and parents, fostering a shared understanding of students' academic progress and extracurricular activities. Discussions centred on individuals' development, addressing concerns, and devising collaborative strategies for improvement. This engaging platform emphasized the school's commitment to nurture well-rounded individuals, ensuring a holistic approach towards education and reinforcing the vital partnership between home and school.

SCIENCE EXHIBITION

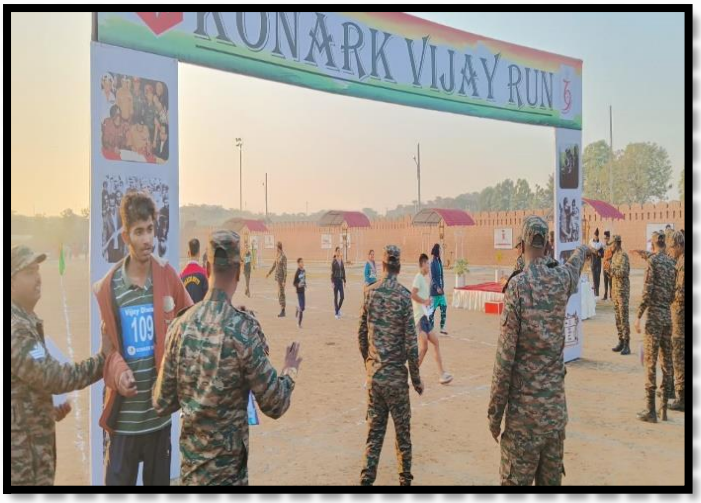

The Science Exhibition started at 9am in the school compound on December 16,2023 showcasing students' innovative models and solutions for everyday challenges. The event aimed to spark enthusiasm for Science & Technology, nurture creativity, and develop problem-solving skills among students. Parents and attendees actively engaged with the displays, creating an encouraging atmosphere for the students' innovative ideas. The exhibition successfully stimulated scientific interest, fostering pride in students' talents, and underlining the practical application of scientific concepts in daily life.

KONARK VIJAY RUN

On December 16, 2023, the spirit of athleticism soared as 90 students from APS Jodhpur participated in the Konark Vijay Run, a 5 Km marathon. Demonstrating remarkable prowess, 5 girls and 2 boys from APS Jodhpur secured positions among the top 8 runners, clinched well-deserved medals and prizes. The marathon not only showcased the school's commitment towards physical fitness but also highlighted the exceptional talent and determination of the participating students. Their achievement in the Konark Vijay Run stood as a testament to the school's emphasis on fostering a holistic environment that nurtures both academic and athletic excellence.

MUN COMPETITION AT HAPPY HOURS SCHOOL

The Model United Nations competition at Happy Hours School mentored by Ms. Charan Kiran Ashok spanned from December 15 to17, 2023. This prestigious event witnessed remarkable performance from students showcasing their diplomatic skills and prowess in various committees and helped students understand how United Nations Organisation works.

Winners:

1. UNHRC Committee:
   Verbal Mention: Shubhangi (XI B), Anshika Chouhan (XI B)
   Best Delegate: Dhruv Sharma (IX A)
2. UNW Committee:
   High Commendation: Prerna Bhati (XI D)
3. ECOFIN Committee:
   Verbal Mention: Muskan Kanwar (XI C)

The Model United Nations competition served as an exemplary platform for students to hone their diplomatic and negotiation skills, fostering a culture of critical thinking and global awareness within our institution. The competition not only showcased the participants' dedication but also highlighted their competence and commitment to diplomacy and negotiation. This broadned their horizons towards Political Spheres around the world.

YOGA SESSION

Yoga Session was conducted for Class IX and XI in which students participated, this took place on December 19, 2023, aiming to introduce yoga's benefits and enhance overall well-being.
Workshop Highlights:
It was Conducted by certified instructor Rajeshree Tupe from Shriyog, assisted by Mr. Jay, the session focused on fundamental yoga postures emphasizing flexibility, balance, and relaxation. Breathing exercises aimed to promote mindfulness and stress reduction, showcasing the instructors' expertise.
Students actively embraced the session, reporting improved flexibility and a sense of calm. The session offered valuable insights into yoga's physical and mental advantages.
It provided students with practical tools for enhanced well-being and mindfulness.

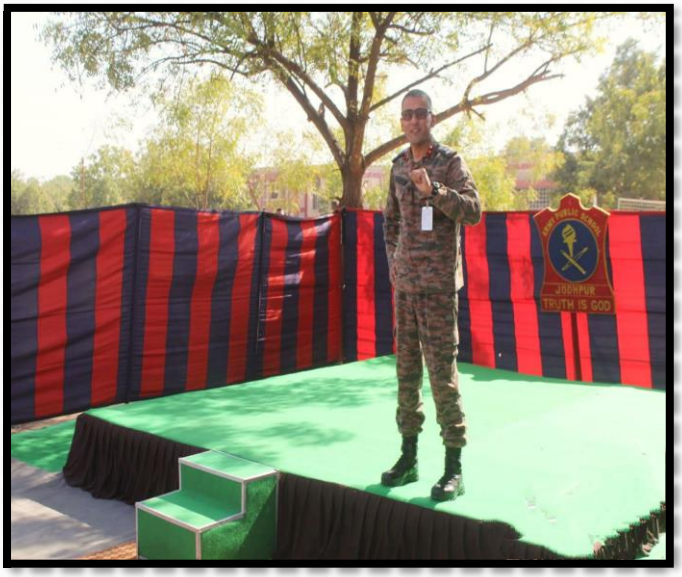

CHAIRMAN'S INTERACTION

Date: December 19, 2023
Conducted by
- Brigadier Arjun Uppal, VSM, Chairman, APS Jodhpur
- CO Col. Kumar Vaibhav, Vice Chairman, APS Jodhpur
- Dr (Mrs) Tabassum Khan, Principal, APS Jodhpur

Attendees:
- Parents and students of classes X to XII

The dynamic and interactive session orchestrated a compelling narrative, enlightening parents about their pivotal role in supporting students during board exam preparations, an imperative to secure commendable academic results. Emphasis was laid upon fostering a harmonious alliance between parents, students, and educators.

Conclusion: The interactive session was a concerted effort to engender a shared sense of responsibility among parents, students, and educators. By urging parents to comprehend their pivotal role and become proactive partners in the educational process, the Chairman envisioned creating a collaborative ecosystem fostering the success of every student.

MATHS OLYMPIAD

"The Olympiads serve as global arenas where the brightest young minds converge."
With the aim of assessing student's mathematical proficiency and comprehension, the "Maths Olympiad" took place on December 14, 2023, at our esteemed institution, Army Public School, Jodhpur. Engaging students from classes I to XII, a total of 475 students participated in this intellectually stimulating event.

VISIT TO FDDI

A group of students embarked on an educational tour to the Footwear Design and Development Institute (FDDI). The visit, aimed at broadening students' perspectives on design and innovation, which took place on December 22 ,2023.
During the visit, students gained exposure to the institute's state of the art facilities and innovative methodologies. They interacted with industry experts, exploring various aspects of footwear design, development, and technology.

CHRISTMAS CELEBRATION

Students sparkled in red and white, embodying Santa's jolly spirit during our festive assembly. Decked out in Santa hats and suits, they brought joy, distributing candy canes and spreading smiles. Adding to the merriment, melodious carol songs filled the air, captivating the audience. The spirit of togetherness and mirth resonated throughout, marking a heart-warming start of the holiday season. The assembly was a delightful celebration, radiating warmth and joy among all present.

KONARK ARMY PRE-PRIMARY SCHOOL

CHRISTMAS TREE & CAP MAKING

The Pre-Primary Wing organized a delightful event on December 6, 2023, where children joyfully crafted Christmas trees and caps. With enthusiasm, they adorned trees with ornaments while designing unique Santa caps, spreading festive cheer and igniting creativity among the young minds, amplifying the holiday spirit.

SACK RACE

The Pre-Primary Wing buzzed with excitement during an enthralling sack race. Children displayed remarkable enthusiasm and teamwork, hopping gleefully in friendly competition. Laughter filled the air as young participants showcased their agility, fostering camaraderie and sporting spirit, creating a memorable and thrilling event.

MASK MAKING

The Pre Primary School orchestrated a vibrant "Mask Making" event, captivating young minds in a creative journey. Children enthusiastically crafted masks using a variety of materials, expressing their unique imaginations. Guided by teachers, they explored diverse themes, fostering artistic expression and storytelling. The event promoted fine motor skills, creativity, and cultural appreciation as kids adorned their masks with vibrant colors and patterns. This immersive experience ignited their creativity, providing a platform for self-expression and imaginative play.

ORIGAMI BUNNY MAKING

The Pre Primary School buzzed with creativity during the "Origami Bunny Making" event, showcasing our young talents' dexterity and imagination. Under the guidance of teachers, children deftly folded and crafted adorable origami bunnies. Through this engaging activity, students honed their fine motor skills, patience, and concentration. The event fostered a love for art and introduced the joy of origami, sparking excitement and pride among our budding artisans.

COMMUNITY MEAL

The Pre-Primary School orchestrated a delightful Community Meal on December 11,2023, uniting students, and faculty in a celebration of diversity. Featuring a potluck of diverse cuisines, interactive activities, and heartfelt speeches, the event fostered unity, cultural exchange, and a sense of belonging among our vibrant school community.

CLAY MOULDING

Exciting clay moulding event held at Pre Primary Wing, sparking creativity among our young minds. Children joyfully crafted unique sculptures, showcasing their imagination and teamwork. Guided by mentors, they explored artistic expression, fostering fine motor skills development.

STORY TELLING

Nursery and KG students showcased remarkable storytelling talents, weaving enchanting narratives that captivated all. With confidence and flair, these young storytellers transported us to fascinating realms, displaying impressive creativity and communication skills. This event nurtured confidence and speaking abilities, applauding our budding wordsmiths.

THEMATIC ASSEMBLY

The Nursery class wowed audience with a vivid thematic assembly on seasons, skilfully portraying each season's uniqueness. Their lively presentations and performances not only educated but also showcased their blossoming presentation skills. The event left audience spellbound, witnessing the enthusiasm and knowledge of our young learners.

CHRISTMAS CELEBRATION

Pre-Primary Wing was a hub of joy and merriment during delightful Christmas celebration. Adorned with festive decorations, the little ones enjoyed various activities like carol singing, crafts, and a visit of Santa Claus. Their radiant smiles illuminated the day, spreading cheer and warmth. It was a heart-warming celebration filled with laughter, creating lasting memories for all.

VAYU RAKSHA PRE-PRIMARY SCHOOL

STORY TELLING BY TEACHERS

In a delightful session on December 5,2023 at Pre-Primary Wing, teachers engaged young minds through captivating storytelling. The art of storytelling came to life as educators weaved enchanting tales which captured the imagination of listeners. This engaging activity not only entertained but also fostered love for storytelling and language development among the students.

SILVER OLYMPIAD

The Silver Olympiad took place on December 5,2023, showcasing the academic prowess of participants. Students engaged in a rigorous testing of their mathematical skills and problem-solving abilities. The competition, conducted with precision, aimed to challenge and assess the mathematical acumen of the participants. The event not only promoted healthy competition but also served as a platform for the students to demonstrate their excellence in the realm of mathematics.

SANTA MAKING

In a festive celebration of Christmas, the students engaged in a heart-warming Santa-making activity. The classrooms buzzed with an excitement as little hands enthusiastically crafted their own Santa, showcasing artistic flair. The activity not only fostered fine motor skills but also allowed the young minds to express their imagination. Teachers guided the students, turning the classrooms into joyful workshops filled with laughter and happy spirits.

CHRISTMAS TREE MAKING & STAR MAKING

The festive spirit enveloped the students with Christmas tree and star making event. Children crafted vibrant trees and dazzling stars using recycled materials, showcasing their creativity. This engaging activity not only spread joy but also taught the importance of sustainability to the young minds.

SACK RACE

School organized an exhilarating Sack Race event, brimming with laughter and excitement. Children joyfully hopped and giggled their way through the friendly competition. The activity not only promoted physical fitness but also instilled values of sportsmanship and teamwork among the young participants.

COLOUR DAY CELEBRATION

Students joyfully celebrated Colour Day on December 8, 2023. It was adorned in a vibrant array, the little ones were engaged in lively activities, exploring the enchanting world of colours. Teachers orchestrated a playful and creative atmosphere, fostering a love for learning through sensory exploration. The Colour Day celebration left a colourful imprint on the hearts of the colour filled little souls.

ENGLISH POEM RECITATION

Enchanting verses echoed as the students showcased their budding literary talents in an English poem recitation conducted on December 12,2023. With innocence and enthusiasm, the little poets captivated hearts, reciting verses that painted a vivid tapestry of imagination.

A VISIT TO SHOPPING COMPLEX

A delightful excursion unfolded on December 13,2023 as students explored the world outside the classroom during a visit to the shopping complex. The trip provided hands-on learning experiences, exposing them to real-world environment.

ECO CLUB ACTIVITY: HUG A TREE AND MAKE YOUR FRIEND

The event on December 14,2023 saw the active participation of our young environmental enthusiasts, fostering a deep appreciation for nature. Kids enthusiastically engaged with the trees, gaining insights into their importance, and enjoyed creating tree-themed artwork with their peers. This engaging activity aimed to instil a strong sense of care for our environment in our future generation.

STORY TELLING

The students on December 19,2023 captivated audiences with their imaginative tales at the storytelling event. Enthusiastically sharing their creativity, these budding storytellers amazed everyone with their descriptive and modest narratives. From adventurous journeys to magical encounters, their storytelling prowess left a lasting impression on all listeners.

CHRISTMAS TREE DECORATION

The students embellished a splendid Christmas tree with bright eyes and imaginative hands, they adorned it with vibrant ornaments, homemade decorations, and lively ribbons. Their infectious enthusiasm and artistic talent brought warmth and joy, lighting up our school during this festive season.

CHRISTMAS CELEBRATION

The air was filled with the giggles and merriment on December 21,2023 as children embraced the magic of Christmas during our delightful celebrations. With wide smiles, they participated in various activities, from singing carols to crafting handmade decorations. The highlight was their vibrant nativity play, where they showcased their budding talents and spread the message of love and togetherness. The gleaming eyes and infectious laughter of our little ones truly made this Christmas a memorable and heart-warming experience for all.
