RAJENDRA HOUSE

Motto of the House

"Be Hundred Percent; Be Victorious"

Message from the House Mistress

As the examination fever has taken over, I would like to tell the students that exams are an important part of our education system. It is the way by which our knowledge is tested. Exams ensure that students learn their lessons properly and on time. Exams develop competitive spirit. It encourage them to study and work hard..

Fear of examination is common among all the students. Students should not compare themselves with others and should give their best. They should develop the habit of reading every day and revise whatever is taught in the class. The magic lies in the love of the subject. Students should develop positive attitude, trust their potential and believe that things will always end on a positive note.

If they keep these things in mind, nothing can stop them from getting through the exams with flying colours. With these concluding words, I would like to give my 'Best Wishes' to all the students and hope that they will perform excellent in their annual exams.

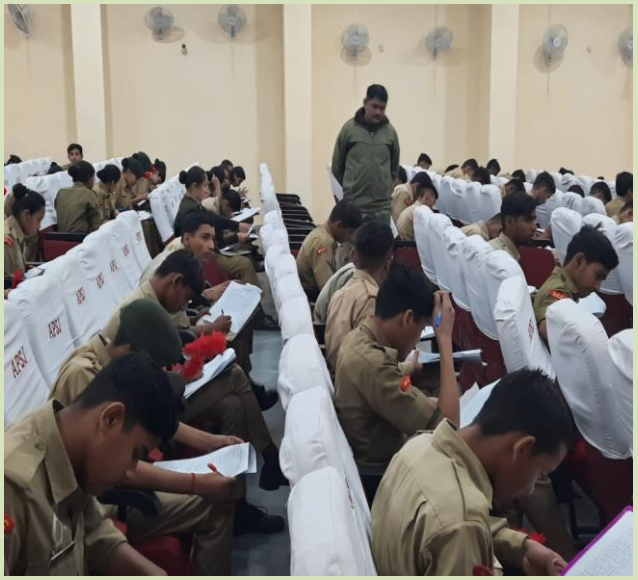

Ms. Kavita Gaur

EVENTS OF THE MONTH

NCC 'A' CERTIFICATE EXAM WAS CONDUCTED BY 1 RAJ ENGR NCC JODHPUR

NCC 'A' certificate exam was conducted by 1 Raj Engr NCC Jodhpur on 2 Feb 2020 in the school auditorium. 111 cadets appeared from three schools-APS Jodhpur, KV No. 2(Army) and Shri Sumer Sr. Sec. School, Jodhpur.

NCC 'A' certificate exam

SAFER INTERNET DAY(SID)

Safer Internet Day was celebrated on 5th February in Junior Wing. Students presented a skit in which they gave message regarding the proper and safer use of internet.

CORPS CDR'S VISIT ON 8th FEB 2020

Lt Gen Anil Puri, SM, VSM, GOC 12 corps visited Army Public School, Jodhpur. He interacted with the Principal Dr(Mrs)Tabassum Khan and the other staff.

LIVE WEBCAST BY CBSE

The central Board of secondary examination organized a live webcast on February 10, 2020 to update students and teachers and inform them about the rules & regulations to be followed during board examinations.

The webcast covered basic rules that every student must keep in mind while giving the board examinations. Authorities have asked all the schools to make required arrangements so that the webcast is viewed by all.

The webcast was broad casted in 22,500 schools in India and abroad and CBSE chairperson Anita Karwal addressed the students in Ambience Public School. At the end of the session a question and answer round was held so that the students get a chance to clear their doubts.

The teachers teaching classes 10th and 12th are also being asked to watch the webcast so that they are able to guide and motivate the students who will be giving board exams this year.

AWARENESS PROGRAM ON CORONAVIRUS

Army Public School, Jodhpur conducted an awareness program on Feb 14, 2020 to make the students aware about Coronavirus. The awareness program was organized by Maj Tukaram Gadekar, SHO Jodhpur. There are a lot of misconceptions about it and therefore awareness program is very important.

Program included :

1. **Presentation on Coronavirus**
2. **Symptoms**
3. **Precautions**

There is still no cure for the virus therefore “Precaution is the best possible way to avoid it”.

Presentation on Coronavirus

THE TATA BUILDING INDIA SCHOOL ESSAY COMPETITION

The Tata Building India School Essay Competition is one of the key initiatives undertaken by the Tata Group to motivate the youth of India and instill the value of nation building. Now in its 14th year, this is India’s largest school essay competition covering 300+ cities across 13 languages nationwide.

The first phase consists of exposing students to inspirational Tata-linked films to stimulate young minds. Following this, students were asked to write an essay on a given topic of national significance. The theme for this year’s essay competition was ‘Building a great India’. In this students were divided into two categories across all languages.

Winners of the Essay Competition

Junior classes: 6-8 & Senior classes: 9-12
In both categories APS, Jodhpur secured positions:

Category 1 (Junior classes: 6-8)

VISIT OF MRS. URVASHI BHATTACHARJI, CHAIRPERSON FWO

On 18th Feb 2020, Mrs. Urvashi Bhattacharji, Chairperson FWO visited APS Jodhpur and had meeting with the Principal, counsellor and Special Educator.

REMEDIAL MEASURES FOR STUDENTS WITH LEARNING AND BEHAVIORAL PROBLEM

The counsellors and special educators of APS Jodhpur took an initiative to tackle the behavior issue and learning problems of the students from classes VI to IX.

A meeting was held on 24th Feb 2020 in this regard with the class teachers of classes VI to IX. The counsellors and special educators discussed the various problems faced by students who have learning problem and suggested that teachers should update themselves with various techniques and ways to tackle such problems.

This initiative will be a great help to improve the performance and tackle the behavioral issues of students.

“Every child has a different learning style and pace. Each child is unique, not only capable of learning, but also capable of succeeding.”

Robert John Meehan

Class Teachers meeting with Special Educator

VISIT OF CHAIRMAN

Chairman Brigadier N J Bhattacharji Cdr 769(I)AD Brigade addressed the teachers of class X & XII on 22 Feb 2020 in the school auditorium regarding Pre-board result and the expected result of Board exam. Teachers were asked to share tips with the students before their respective subject paper. At last the chairman also discussed about classroom and child central problems.

MERIT CERTIFICATE

"Believe you can and you're halfway there**"**

T. Roosevelt

Exams can be very scary but they really don't have to be. You can take control of your exam pressure with a bit of thought and preparation. No matter how much or how little you study one thing is crucial for you must practice answering examination questions.

I followed few things from the starting which includes flow charts, weekly revision, and practice of writing answers to improve my speed. The exams conducted in school from time to time and pre-boards gave me great help to improve myself and score good marks in every exam.

I am glad that my efforts got recognized and I along with my fellow mates received the merit certificate from CBSE in 2019.

By Pravesh Kumar
XI A

The following students were awarded the certificate of merit in each subject for being in the top 0.1% criteria of the successful candidate in order to recognize their qualities and outstanding performance at its Senior School Certificate Examination.

1) Sumrender Singh
2) Sushil Kumar

CCA REPORT OF THE MONTH OF JANUARY 2020
ARMY PUBLIC SCHOOL
PRIMARY EXTENSION WING
SHARING SPECIAL MOMENTS WITH PASSING OUT V CLASS STUDENTS

The APS Primary Extension Wing has successfully completed the very first inaugural academic session 2019-20 in each and every respect .The extension wing building accommodates the students up to V standards .That's why on promotion to the next higher class, these V class students will be accommodated in main APS building for the next academic session 2020-21.

For this a small tea party was organized here on 12th Feb, 2020 by the IV class students in order to bid farewell treat to those V class students, along with group dance, solo dance, as well as group song and various games etc.

All respective class teachers and HM Yogita ma'am motivated them to pursue further studies and wished them best of luck for the future.

Group Song Performances

ACADEMIC REPORT FOR THE MONTH OF FEBRUARY 2019-20

"Exams have an important role in the process of learning and in the whole educational institute."
Exams.

Exams help students to get acquainted with their knowledge and evaluate student's skills and enable them to overcome their nerve. Exams play a major role in providing necessary qualities in life such as hard work, patience, creativity and leadership.

Final exams were held in our school from 13th February to till 28th February. Summative assessments were conducted for classes I and II and annual exams were conducted for classes III to V**.** Other parameters like Scholastic activities, portfolio, subject enrichment and multiple assessment were also included in the exam and were graded on 5 point scale (A to E)

"If a child can't learn the way we teach, maybe we should teach the way they learn". Inclusive Education is a wonderful initiative towards education system that gives a kind of satisfaction to bring a change in those student's lives who previously assumed themselves that they cannot do anything but now their competition is with themselves.

We want all our children to be appreciated and accepted throughout life. Our school has initiated to impart Inclusive Education from Aug 2019. It is a way of thinking about how to be creative to make our school a place where all children can participate. Creativity may mean teachers learning to teach in different ways or designing the lessons in a way that all children can be involved.
